## ANNUAL WATERMAIN FLUSHING PROGRAM (2010)

**NOTICE TO RESIDENTS:** Barbour Drive, Blandford Place, Bragg Crescent, Brett Place, Burgess Avenue, Carroll Drive, Crocker Place, Dalton Avenue, Gilham Crescent, Graham Place, Halloran Place, Hanrahan Place, Jackman Drive, Mortimore Drive, Neal Place, Pike Place, Rodes Place, Wilchris Place, Wilcox Place, Winsor Place, Yetman Drive.

The City wishes to advise residents that watermain flushing is scheduled for the above-noted streets beginning Monday, May 17. This program will continue on a daily basis (Monday - Friday from 8:00 a.m. to 4:00 p.m.) for approximately 7-10 business days. This work is in accordance with the City's water system and fire flow protection maintenance programs.

Flushing can cause the following **temporary** changes in your water service:

- low water pressure
- changes in water color and cloudiness \*  
(if this occurs, please run cold water in a bath/laundry tub until water appears clear)
- slight change in taste and/or odor of the water.

These conditions are normal during the flushing process. The City will work diligently to ensure that the water service will be restored to normal as soon as possible.

**\*PLEASE NOTE:** It is recommended that residents refrain from doing laundry between the hours of 8:00 a.m. and 7:00 p.m. to avoid the possibility of clothes being soiled or stained by discolored water.

If temporary changes persist, residents are advised to call Engineering Services at 748-1016. For further information, please visit the City's website at [www.mountpearl.ca](http://www.mountpearl.ca). The City appreciates the cooperation and understanding of all residents during this program.

### Request for Proposal Digital Multi-Function Printer

The City is requesting proposals for a Digital Multi-Function Printer. Specifications can be obtained from City Hall or by contacting: Rick Dunphy, Manager, Information Technology, Phone: 748-1134, E-Mail: [rdunphy@mountpearl.ca](mailto:rdunphy@mountpearl.ca)

Proposals will be accepted up until 4 p.m. on May 31, 2010.

### Tender One 35 Cubic Yard Co-Mingle Garbage Compactor

The City invites tenders for the supply and delivery of one 35 Cubic Yard Co-Mingle Garbage Compactor. Tender documents are available at the Municipal Depot, 59 Clyde Avenue and will be received up to 12:00 Noon on Thursday, May 27, 2010.

### Tender Package TP10-019 Water Reservoir Demolition and Disposal

The City invites tenders for the above noted project. Tender packages are available at City Hall at the address below. Sealed tenders accompanied by an appropriate bidding security, addressed to the Chief Administrative Officer, and labelled as to the package involved, will be accepted at City Hall no later than 2:00 pm, May 28, 2010. A public tender opening will take place at that time. The lowest or any tender not necessarily accepted.
