Residents are advised that the mandatory covering of garbage is effective from April 1 to November 30 of each year.

Garbage must be placed in a covered container that can be placed to the curb on the morning of collection and removed later that same day, OR, garbage must be covered with a blanket, tarpaulin or fish net, etc. to prevent animals from tearing open the bags.

These regulations are enforced from April 1 to November 30 of each year.

Let's work together to help keep our city clean!
