Recycling and Garbage

Guide and Schedules

CLEARLY

We Can Do Better

Mount Pearl's Clear Garbage Bag Program

The City of Mount Pearl requires all residents to use clear garbage bags for household garbage.

Clear bags have a positive impact on the environment by reminding residents to be aware of what items can be recycled instead of thrown out.

Some residents are still throwing paper products, plastic containers and household hazardous waste in the garbage. Clearly, we can do better.

When everyone does their part to reduce, reuse and recycle, we generate less garbage. This reduces operating costs for managing waste and allows us to channel more funds into other areas.

How It Works

Follow these easy steps

#1

Place recyclables in transparent blue bags

#2

Place household garbage in clear bags and place in cart

#3

Two small privacy bags are allowed per cart

#4

Place recycling & garbage cart at the curb

CART PLACEMENT

Park it

Place cart on the street with wheels against the curb. If your street is indicated below, place cart at the end of your driveway.

Point it

Arrows on the cart should point to the centre of the road

Space it

Give at least an arm's-length of clearance on all sides.

Residents on Ruth Avenue, Commonwealth Avenue and Topsail Road **please place cart at the end of your driveway.**

A few things to remember:

- Garbage must be placed inside a cart provided by the City.
- Carts must be placed at the curb by 8 a.m. on your collection day.
- Carts should not be placed at the curb before 8 p.m. on the evening prior to your collection day.
- Cart lid must be completely closed.
- If you have trouble pushing your cart to the curb, the truck will have trouble picking it up. Cart weight should not exceed 136kg (300lbs).
- Two small, non-transparent bags (for disposal of sensitive material) are allowed per cart on each collection day. Privacy bags must be no larger than 54.9 cm x 58.4 cm (21.6 in x 23 in).

Special instructions for winter collection:

- You may need to adjust cart placement so that it does not interfere with snowplows.
- Find a clear space and place your cart as close to the street as possible, without obstructing the street or sidewalk. Remember, the arm on the collection truck can only reach a maximum of 10 feet.
- Do not place cart behind or on top of snow banks. Make sure it is visible and accessible.
- Once garbage has been collected, return your cart to a secure location on your property.
- Please use discretion when placing recyclables out for collection on windy days. You may consider holding them until the following week.
- For collection postponements due to snow storms, please visit www.mountpearl.ca. You can also sign up to the City's citizen alert system, which is for emergencies and major disruptions, at www.mountpearl.ca/citizen-alert.

RECYCLABLES

Paper and Cardboard

Recyclables are collected each week on the same day as your household garbage. Do not cover recycling bags when placed at the curb for collection.

It costs the City \$65 for every ton of garbage brought to the landfill, and only \$20 for every ton of recyclables. Clearly, recycling stops us from throwing money away!

Waste paint is not accepted by the City; however, residents can bring paint to the Mount Pearl Green Depot, 5 Old Placentia Road. Please dispose of empty paint cans in your regular curbside garbage collection.

USED TIRES

On-road tires can be returned to any tire retailer in manageable quantities (4-5 tires) during the retailer's normal business hours. Mulching and composting leaves are earth-friendly ways to take care of your yard waste and save space in our landfill. Shred the grass and leaves with your lawn mower or a leaf shredder and use as mulch on your lawn and garden.

The City will collect leaves and grass at the curbside as well. Place your leaves in clear bags next to your garbage cart (or inside if there is room). Remember to keep bags at least one metre from your garbage cart. Items not accepted include branches, stumps, root balls, driveway and road sweepings, animal waste, dirt and rocks.

Residents can dispose of their Household Hazardous Waste (HHW) at the HHW Depot, located at Robin Hood Bay, 340 East White Hills Road. The HHW Depot is open Wednesdays and Saturdays from 8 a.m. to 4 p.m. This facility is for residential waste only.

- Giveaway items should be in good condition for reuse.
- Use discretion when placing items at the curb. This event is rain or shine.

Tips if you are cruising the curbs:

- Only take items marked as free.
- Do not tamper with items placed at the curb, such as removing parts and cords.
- Respect people's property. Please don't walk on lawns or gardens.
- Do not discard items on another person's lawn.
- Obey traffic laws at all times.

Give away items could include:
