Citizen Communication to Council (Public Council Meeting)

Public council meetings take place every second Tuesday at 4:30 pm. You can address your concerns directly to Council at our public meetings.

Here's how:

1. Speakers/presenters must notify City Hall (Mona Lewis, Deputy City Clerk, 748-1032 or mlewis@mountpearl.ca) by Friday noon preceding the council meeting to have item placed on the agenda.
2. Each presentation will have a 10-minute time limit. Where a group wishes to address Council, please appoint one member as the group's spokesperson.
3. Council will not make any formal motions during this portion of the agenda, unless the item being discussed is of an emergency nature.
