Officers for a Day Visit Mount Pearl City Hall

The City is proud to partner with the Mount Pearl Crime Prevention Committee and the Royal Newfoundland Constabulary on the Officer for a Day initiative.

This year's winners are Katie Leaman, a Grade 5 student from Morris Academy, and Taylor Hayes, a Grade 6 student from Mary Queen of the World.

Mount Pearl students in grades 4-6 made personalized cards for City law enforcement as a thank you for their service.

This project is a way of saying thank you to all law enforcement. It celebrates how our two agencies come together to make Mount Pearl a safer place and shares the exciting world of law enforcement with future generations.
