

Skateboard Park Inspections Policy

1.0 Policy Statement

City of Mount Pearl will conduct weekly inspections on all City-owned skateboard parks to detail the City's approach to Skateboard Park Facilities including provision standards, safety standards, risk management and maintenance procedures.

2.0 Scope

This policy applies to all City of Mount Pearl skateboard parks.

3.0 Purpose

The purpose of this policy is to establish guidelines for the City to manage a safe, well designed, Skateboard Park Facility and to ensure the quality and safety of skateboard parks to meet the recreational needs of City of Mount Pearl residents.

4.0 Weekly Park Inspections

1. Weekly inspections will be conducted on all Skate Parks.
2. All inspections will be completed under the direction of a trained inspector.
3. All inspections will be completed utilizing the *Skateboard Park Inspection Form* (to be completed in ink).
4. All original inspection forms will be submitted to the Director or designate within seven (7) days of the inspection.
5. Copies of the inspection reports will be kept with the area supervisor.
6. The inspector will sign and date each inspection on the date of completion.
7. All follow-up repairs needed will be noted under "Action Required" on the inspection form and will be the responsibility of the manager.
8. Inspections will be reviewed annually by the manager to identify trends and areas of concern.

5.0 Approvals

Steve Kent, Chief Administrative Officer
