

Environmental Policy

1.0 Policy Statement

The City is committed to the protection of the environment and recognizing that all management and employees have a role to play in achieving environmental protection.

2.0 Procedure

The City has formulated the following guiding principles. The City will:

- Ensure that operations comply with government legislation, corporate policy and applicable industry standards concerning the protection of the environment and the public.
- Ensure during project planning, implementation and operation, that environmental issues associated with the business are identified, evaluated and mitigated.
- Ensure that the appropriate waste management programs are developed and implemented.
- Ensure that all employees, and others engaged on behalf of the City, are informed and trained regarding protection of the environment.
- Ensure that operations allow for the efficient use of energy and other resources.
- Deal openly and fairly with members of the public regarding environmental concerns.
