

NOTICE TO RESIDENTS

Street Upgrading: Glendale Avenue and Bradley Place

UPDATED PROJECT OVERVIEW

Glendale Avenue and Bradley Place have been selected by the City of Mount Pearl to undergo underground infrastructure replacement (sanitary/storm/water), removal and replacement of sidewalks/curb/gutter (where required), new surface asphalt, and reinstatement of landscaping, driveways, and any other items affected during construction.

- **Zone 1 (Commonwealth Avenue to First Street) asphalt to be completed by September 5th, 2019.**
- **Zone 2 (First Street to Roosevelt Avenue) will now begin August 27th, 2019.**
- **Zone 2 and 5 (Ruth Avenue to Bradley Place) will be completed before October 31st, 2019.**
- **Zone 3 and 4 (Roosevelt Avenue to Bradley Place) will begin in Spring 2020.**

WORK SCHEDULE

The contractor is permitted to work within the hours specified in the City's Noise By-Law (7:00 am to 11:00 pm). Daily schedules may vary depending on weather conditions.

STREET REHABILITATION

Street rehabilitation is a reconstruction of the street which may include subgrade repair, replacement of underground services, new pavement and concrete curb and gutter, water and sewer.

WATER/ELECTRICAL SERVICE DISRUPTIONS:

Please note there may be instances of temporary disruption to power and/or water services to allow for completion of ongoing work. If this is necessary, you will be provided with adequate notice.

DETOURS AND PARKING DISRUPTIONS:

Throughout the life of the project, traffic detours are anticipated in order to facilitate the construction and for the safety of workers and residents in the area. There may be periods when you may not have access to your driveway, or when on-street parking of vehicles may not be available. We will provide adequate notice of any planned disruptions.

The City of Mount Pearl appreciates the cooperation and understanding of its residents and the general public during this program.
