20-09-298 <u>Notice of Motion</u> Amendment – Snow Clearing Regulations

Councillor Stoyles gave notice that she would, at a regular meeting of Council, move to amend the text of the City of Mount Pearl Snow Clearing Regulations 2018 that, if enacted, will:

- 1. Under Section 8,
 - after "person", add ", or individual or company retained for snow clearing,";
 - delete "carriage way or sidewalk" and replace with "street, sidewalk, or Cityowned land, including City Open Space"; and
 - at the end of sentence, delete "." and replace with: "; further, although it is acknowledged that winter conditions may result in reduction of sight lines, snow shall not be stored in a way that unreasonably blocks sight-lines or otherwise creates a hazard.".

The section would then read: "No person shall shovel, plow, or blow any snow from a driveway or parking lot onto a highway, street, sidewalk, or City-owned land, including Open Space, within the municipal boundaries of the City; further, although it is acknowledged that winter conditions may result in reduction of sight lines, snow shall not be stored in a way that unreasonably blocks sight-lines or otherwise creates a hazard."

2. Throughout the Regulations, make any secondary/grammatical edits required to effectively incorporate the changes described under 1 above.

3. Throughout the Regulations, make any other correction/formatting required edits that may be identified, i.e. typos, and which do not alter any intent of the current Regulations.
