Recycling and Garbage

Guide and Schedules

CLEARLY

We Can Do Better

Mount Pearl's Clear Garbage Bag Program

The City of Mount Pearl requires all residents to use clear garbage bags for household garbage.

Clear bags have a positive impact on the environment by reminding residents to be aware of what items can be recycled instead of thrown out.

Some residents are still throwing paper products, plastic containers and household hazardous waste in the garbage. Clearly, we can do better.

When everyone does their part to reduce, reuse and recycle, we generate less garbage. This reduces operating costs for managing waste and allows us to channel more funds into other areas.

How It Works

Follow these easy steps

#1

Place recyclables in transparent blue bags

#2

Place household garbage in clear bags and place in cart

#3

Two small privacy bags are allowed per cart

#4

Place recycling & garbage cart at the curb

CART PLACEMENT

Park it

Place cart on the street with wheels against the curb. If your street is indicated below, place cart at the end of your driveway.

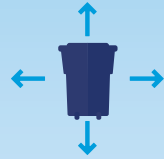

Point it

Arrows on the cart should point to the centre of the road

Space it

Give at least an arm's-length of clearance on all sides.

Residents on Ruth Avenue, Commonwealth Avenue and Topsail Road **please place cart at the end of your driveway.**

A few things to remember:

- Garbage must be placed inside a cart provided by the City.
- Carts must be placed at the curb by 8 a.m. on your collection day.
- Carts should not be placed at the curb on the evening prior to your collection day.
- Cart lid must be completely closed.
- If you have trouble pushing your cart to the curb, the truck will have trouble picking it up. Cart weight should not exceed 136kg (300lbs).
- Two small, non-transparent bags (for disposal of sensitive material) are allowed per cart on each collection day. Privacy bags must be no larger than 54.9 cm x 58.4 cm (21.6 in x 23 in).

Special instructions for winter collection:

- You may need to adjust cart placement so that it does not interfere with snowplows.
- Find a clear space and place your cart as close to the street as possible, without obstructing the street or sidewalk. Remember, the arm on the collection truck can only reach a maximum of 10 feet.
- Do not place cart behind or on top of snow banks. Make sure it is visible and accessible.
- Once garbage has been collected, return your cart to a secure location on your property.
- Please use discretion when placing recyclables out for collection on windy days. You may consider holding them until the following week.
- For collection postponements due to snow storms, please visit www.mountpearl.ca. You can also sign up to the City's citizen alert system, which is for emergencies and major disruptions, at www.mountpearl.ca/citizen-alert.

RECYCLABLES

Paper and Cardboard

Recyclables are collected each week on the same day as your household garbage. Do not cover recycling bags when placed at the curb for collection.

It costs the City \$82 for every ton of garbage brought to the landfill, and only \$22 for every ton of recyclables. Clearly, recycling stops us from throwing money away!

The following recyclable items must be placed in a transparent blue bag. For a complete list visit www.mountpearl.ca/recycle.

WHAT TO DO with Other Waste

PAINT

Waste paint is not accepted by the City; however, residents can bring paint to the Mount Pearl Green Depot, 5 Old Placentia Road. Please dispose of empty paint cans in your regular curbside garbage collection.

USED TIRES

On-road tires can be returned to any tire retailer in manageable quantities (4-5 tires) during the retailer's normal business hours. Please ensure that tires are in whole form, free of debris and mud, and have their rims removed. Tires may also be collected, with or without rims, in bulk garbage collection.

ELECTRONICS

Electronic waste is accepted at the Mount Pearl Green Depot, 5 Old Placentia Road. These items include televisions, desktop printers, computers, keyboards, telephones, smartphones, etc.

GLASS

Glass beverage containers are accepted at the Mount Pearl Green Depot, 5 Old Placentia Road. Please remove caps, straws, and empty all liquids. All non-beverage glass containers, like pasta sauce jars or pickle and jam jars, should be placed with your regular household garbage.

GRASS and LEAF CLIPPINGS

Mulching and composting leaves are earth-friendly ways to take care of your yard waste and save space in our landfill. Shred the grass and leaves with your lawn mower or a leaf shredder and use as mulch on your lawn and garden.

The City will collect leaves and grass at the curbside as well. Place your leaves in clear bags next to your garbage cart (or inside if there is room). Remember to keep bags at least one metre from your garbage cart. Items not accepted include branches, stumps, root balls, driveway and road sweepings, animal waste, dirt and rocks.

HOUSEHOLD Hazardous Waste

Residents can dispose of their Household Hazardous Waste (HHW) at the HHW Depot, located at Robin Hood Bay, 340 East White Hills Road. The HHW Depot is open Wednesdays and Saturdays from 8 a.m. to 4 p.m. This facility is for residential waste only.

What to bring

- Motor oils
- Solvents
- Propane tanks (valve closed)
- Glues
- Brake and clutch fluids
- Wood preservatives and stains
- Pool chemicals
- Cleaning fluids
- Disinfectants
- Paints: oil and latex (do not mix)
- Drain and oven cleaners
- Pesticides, insecticides, herbicides, fungicides, flea powders
- Gas
- BBQ starter
- Lighter fluid
- Paint stripper, turpentine
- Aerosol containers
- Fire extinguishers
- Batteries, battery acids
- Mercury
- Compact fluorescent light bulbs
- Fluorescent light tubes
- Flood lights
- Prescription drugs
- Cooking oil, used or unused
- Nail polish / nail polish remover

What NOT to bring

- Biomedical waste
- Empty paint cans (these go in your regular curbside garbage collection)
- Explosives & ammunition
- Fireworks
- Industrial, commercial and institutional waste
- PCBs
- Radioactive waste
- Smoke detectors

How to bring it

Seal containers securely. Bring the materials in the trunk of your car but do not put items in tied plastic bags. Instead, transport in open-topped boxes. Please make sure that all propane tanks have the valves closed and that there is plenty of ventilation in your vehicle. We recommend that you wear gloves when handling products.

RECYCLING AND GARBAGE

Statutory Holiday Collection Schedules

Regular household garbage and recycling is collected once a week, from Tuesday to Friday, with each street receiving collection on a specific day. To determine your regular collection days, please refer to pages 11-16.

On statutory holidays your collection schedule may change. Please see below for more details. Collection schedules and area maps can also be viewed online at www.mountpearl.ca/recycling.

TUESDAYS

- **BOXING DAY:** Collection on Tuesday, December 27, 2022, will be moved to **Wednesday, December 28, 2022.**

WEDNESDAYS

- **REGATTA DAY:** Collection on Wednesday, August 3, 2022, will be moved to **Monday, August 8, 2022.**

FRIDAYS

- **GOOD FRIDAY:** Collection on Friday, April 15, 2022, will be moved to **Monday, April 18, 2022.**
- **CANADA DAY:** Collection on Friday, July 1, 2022, will be moved to **Monday, July 4, 2022.**

BULK GARBAGE Collection

Prescheduled bulk garbage collection takes place in **May**. Collection takes place on Mondays and may take up to one week to complete. To determine your bulk collection day, please refer to pages 11-16. If you require collection at any other time, you may request a special pick-up service, which requires a pre-paid fee of \$25 for each service, by calling 748-1016 to pay the fee and arrange a pick-up date. Bulk items must not be placed to the curb until the evening before the scheduled pick-up day. Residents also have the option to store their items until the next annual free collection, or to bring their items to the Robin Hood Bay landfill, 340 East White Hills Road.

Accepted

- Mattress/boxspring (sealed in plastic bag)
- Sofas, chairs, furniture
- Bathroom fixtures
- Carpet
- Garden waste/small branches/twigs - enclosed in regular clear garbage bag
- Wood waste (trees, branches and small logs)*
- Glass, securely packaged
- Minor renovation materials
- Tires, with or without rims
- Other bulk items normally associated with a household

NOT Accepted

- Construction/ Building materials*
- Concrete
- Landscaping materials
- Any items with nails not removed
- Oil products
- Auto parts
- Loose materials not bundled or boxed or in clear bags

Bulk Garbage Guidelines

- Items are not allowed to the curb prior to the evening before collection day.
- Items must be placed at the curb by 8 a.m. on your collection day.
- Loose materials must not exceed 22kg (50lbs).
- **Residents must separate metals from other bulk garbage.**
- Items not intended for bulk collection should be removed from the curb.
- *Wood waste guidelines: Logs/branches must be diameter of six (6) inches or less and must be neatly stacked and free of items not accepted as follows:
 - Construction or building materials, anything that contains dirt, sand, gravel, or rocks, materials that contain metal (nails, screws, fencing), string, or other human-made materials.
 - Wood waste that is lumber, fence posts, signs, roots, root wads, stumps, or anything that grows below the soil.

RESIDENTIAL

Wood Chipping and Mulching Program

The City of Mount Pearl is offering a free chipping program for residents who want to remove wood waste from their property. The wood waste is collected and turned into mulch that will be used for the City's public parks, gardens, and landscaped plantings.

How to Participate

- **BULK GARBAGE COLLECTION:** Wood waste is accepted on your regularly scheduled bulk garbage collection date. Simply place your wood waste to the curb in a separate pile. Branch piles not to be placed on the sidewalk or roadway.
- **SPECIAL PICK-UP:** A special pick-up can be scheduled for a fee of \$25 by calling us at 748-1016.
- **CHRISTMAS TREE COLLECTION:** During the month of January, you can place your Christmas tree at the curb on your household garbage collection day. Trees must be free of ornaments, lights, and garland.

Accepted

Accepted materials includes trees, tree branches, small-diameter logs, and brush (cut away from root mass). Items must be neatly stacked and free of items not accepted.

NOT Accepted

- Wood waste that is lumber, fence posts, signs, roots, root wads, stumps, or anything that grows below the soil
- Construction or building materials, anything that contains dirt, sand, gravel, or rocks, materials that contain metal (nails, screws, fencing), string, or other human-made materials

Benefits of Mulching

Mulch created from chipped wood waste is a valuable natural resource, which can significantly improve soil structure, increase water-holding capacity, and provide nutrients.
