

**SAMPLE - SPEED DETECTION NOTICE**

The vehicle pictured was photographed exceeding the posted speed limit in the City of Mount Pearl.

**This is a speed detection notice, NOT a ticket.  
There is no fine or penalty.**

This notice is being issued in the interest of road safety. The City of Mount Pearl is participating in a traffic camera pilot project with the Government of Newfoundland and Labrador, in an effort to reduce speeding.

Reducing speed prevents injuries, collisions and fatalities. Adhering to the rules of the road improves quality of life for residents in our community.

This is a reminder to obey posted speed limits. If you were not operating the photographed vehicle at the time the violation was captured, please advise the driver.
